The Story of

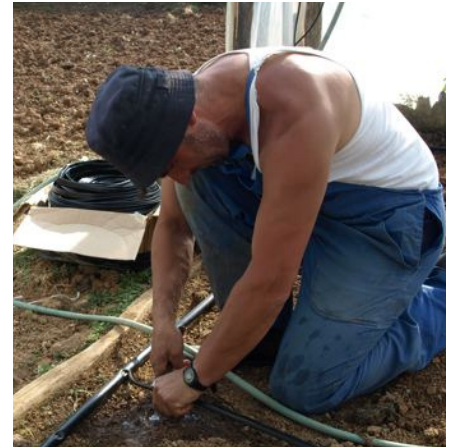

Ron and Lisa Ramsey, CAMA SERVICES Missionaries installing their first system in Kosovo.

Mr. Ron Ramsey and Mrs. Liza Cakolli unpacking the system.

Lisa Ramsey preparing the soil.

Mr. Rexhepi Cakolli connecting the Drip Line to the Header Line.

Rexhepi is all smiles - the new system ready to go.

Liza and Lisa planting peppers.

Liza is excited because it only takes 2 minutes to fill the bucket - which is good for the day. Liza now has the majority of the work to do as Rexhepi has been diagnosed with stomach cancer.

Taken a few weeks later - showing how well the plants are growing.
