**DICK CHAPIN RECEIVES IRRIGATION ASSOCIATION
HUMANITARIAN AWARD**

Mr. Ken Mills (left), president of Irrigation Association, presented Dick Chapin with the Humanitarian Award at the 27th International Irrigation Convention on Nov. 6th in San Antonio, Texas.

Chapin Living Waters thanks all those who have prayed, given of their time and funds, represented the organization in many countries, and promoted the use of Bucket Kits to help the world's poor people feed themselves during dry seasons and severe drought periods.

Letter Received From Trainees in Malawi

“On behalf of my fellow participants, I wish to thank our teacher, Dale Robar for having organized a seminar in which we have learnt the basic skills of vegetable production and drip irrigation. We are very sure that what we have gained will allow us and all other people here in our country, to produce vegetables and other crops under conditions that previously would have only produced starvation and death.”

Trainee and Dale Robar

Dale Robar was sent by Chapin Living Waters to train Malawians in the use of Bucket Kits. We are thankful to the Malawi Project and Blessings Hospital for the accommodations for those being trained.
